### 1975 TOPPS BASEBALL SET

Hey Baseball card collector's! Here's your chance to get one of the most popular vintage card sets at a Great Special Price!! The 1975 Baseball Set is one of the best and most colorful of all time. This set is loaded with Great Hall of Famers such as Hank Aaron, Reggie Jackson, Johnny Bench and Steve Carlton to name a few. Included are the Rookie Cards of Robin Yount, George Brett and Fred Lynn along with others who went on to have great careers in baseball. Each set is professionally hand collated from fresh vending boxes we purchased in 1975. We grade these sets EM-NrMt as some cutting and printing flaws do exist in some cards. This is a must set for any true baseball card collector.

*"As far as sets go from the 1970s, the 1975 set tops them all."*
